

FOUR CORNERS

COMPASSION

The Gospel of Mark records the miracles, healings and signs that Jesus did while on earth. One thing you can see that these acts have in common is that Jesus demonstrated His power because He saw people's needs and He was moved to help them. Whether it was cleansing a leper (Mk 1:41) delivering a demon-possessed boy (Mk 9:22) or feeding the thousands (Mk 8:2), Jesus was responding with compassion.

My favorite verse in Mark about Jesus' compassion is found in Mark 6:34, "He saw the multitude and was moved with compassion for them because they were like sheep not having a shepherd. So He began to teach them many things."

Let's be motivated with love to bring healing, deliverance, provision, teaching and community to those around us.

I don't want to be the one to whom Jesus says, "How is it you do not understand?" (Mark 8:21)

Fall 2013

Since the summer, Rocky has been living in one of the apartments above the Brussels House of Prayer in the European Parliament area. Living downtown has given him a renewed vision to pray for the seat of power, which is the EU. In today's political climate, the combined voice of the EU and decisions of the International Court are bearing a lot of weight in current affairs.

Staying at BHOP has given Rocky the opportunity to participate in the many watches and agendas that are going on. One of his favorites is the Israel Prayer Watch. Another highlight is the prayer time inside the EU parliament building. An EU representative has to sign us in and open the door for us each time. We are privileged to pray inside the chamber and chapel.

Rocky has also been successful at moving some other events he oversees to the BHOP location. He has now moved three meetings to BHOP: pastors city-wide prayer, businessmen's devotional and pastor's prayer breakfast. It is our hope that this will draw pastors and others into the prayer room. We are trying to inject the harp and bowl model into a regular meeting structures.

On a personal level, it has been nice to have the extra time to seek God in the prayer room without having to navigate the Brussels traffic. SHALOM!
