

FOUR CORNERS

PRUNING PRODUCES MORE FRUIT

This picture seems like a timely portrayal of how we have been feeling lately. God has put us in Belgium - whose flag is in the foreground. We are honored that the Lord is trusting us with open doors for ministry. We know that there is **MORE FRUIT** coming to Belgium. The Holy Spirit is active and people's hearts are being stirred. These are exciting times to be in Belgium.

At the same time, we are feeling pressure on several fronts. Some ministry opportunities are shifting and we need to keep ourselves aligned with His purposes. Also, we have started the year off with a lack in the area of regular monthly support. Without adequate support, we feel like we have to examine how we will stay in Belgium for the rest of this year.

Can you pray & join with us to meet our financial needs for 2015?

*We are living out this verse, "every branch that bears fruit He prunes, that it may bear more fruit"
John 15:2*

TV BROADCASTS TO THE FRENCH-SPEAKING WORLD

We are continuing to work in the studio for the filming of another 8 programs for the CBN French 700 club. We provide a good Belgium speaker who understands God's heart for Israel. They supply all the equipment and editing. Nice trade, and the message goes out to 120 channels in Europe and Africa.

PASTORS PRESSING IN

One of the highlights of the each month, these Pastors are seeking God's face together. Time with God bonds our hearts in unity. God is put in first place as we devote ourselves to seeking His will for Brussels.

DISCIPLESHIP

On Monday nights, I work with a Ghanaian pastor to form a ministry team, disciple believers and train pastors.

SUNDAYS

I try to visit one of the 100 ANET Network churches each Sunday. I look for opportunities to preach and minister in these local churches. This one is Congolese.

THE SOUND

Hosted by BHOP, this event was a real source of refreshing for Brussels.

HEALING TEAM TRAINING
with Jim Rogers

100 DAYS of Prayer for the French and English communities in Belgium. We are challenging the churches to pray for the nations. Each tribe, family and nation must align themselves with God's heart for Israel. It is not a political decision: it is a prayer decision. Harold Eckhart from Germany is calling the nations to consider where they stand. We have challenged the churches to pray and gather for the purpose of praying for the nations in regard to Israel.
